

BT7032

LARGE AV ACCESSORY SHELF 500 X 380MM

The **BT7032** is a large steel shelf ideal for mounting AV equipment to poles, columns or directly to the wall. Suitable for use with B-Tech's range of flat screen trolleys and floor stands, ceiling mounts and floor-to-ceiling pole mounted solutions. Can also be used on a back-to-back floor stand setup where a shelf is required on each side. Available in a durable black powder coat finish - ideal for long term use in rental applications.
