

BT7523

FLAT SCREEN WALL MOUNT WITH TILT FOR SCREENS UP TO 47"

Designed to mount medium sized screens, the **BT7523** wall mount is simple to install and features a tilt function that allows easy positioning of the screen. Integrated tilt function ensures effortless screen positioning, providing optimal viewing angles. Compatible with screens featuring VESA patterns up to 200 x 200mm, this compact and organized mounting solution is versatile enough for both commercial and residential settings.
