

BT7888

WALL MOUNTED SLIDE-OUT AV STORAGE TRAY

The **BT7888** is the ideal solution for discreetly fixing AV equipment, such as power supplies, media players and video conferencing equipment behind a screen. The storage tray can be wall mounted by the side or below the screen mount and positioned in either a portrait or horizontal orientation. AV accessories are easily fitted to the retractable, quick-release storage tray using the supplied cable ties, which can also be used for cable management.
