DOUBLE ARM FLAT SCREEN WALL MOUNT WITH TILT & SWIVEL

Designed for medium to large screens, the **BT8229** universal double arm wall mount combines strength and versatility with effortless usability. Its unique soft-touch tilt mechanism allows users to reposition displays up to 35kg with a simple touch, securely holding the tilt in place. Featuring three swivel points at the wall, arm and interface, the mount enables quick and smooth screen adjustments, whether folded flat against the wall or fully extended. Compatible with 16" stud walls, brick, and concrete surfaces, this mount is engineered for both commercial and home installations.
