

BT8301

FULL SERVICE VIDEOWALL MOUNT WITH MICRO-ADJUSTMENT

Designed to make videowall installations as simple as possible, the **BT8301** modular videowall mount can create unlimited videowall configurations in landscape and portrait format. The BT8301 has a low profile design, ideal for mounting into walls with a shallow recess. The pop-out system enables quick and easy access to the rear of the mounted screen for servicing and maintenance, and +/-4mm micro-adjustment makes accurate screen alignment quick and easy.
