

## BT8326

### Floor Mount For Samsung OM55N-D Double Sided Displays

This product is made from the following materials:

Steel

100%

B-Tech AV Mounts is dedicated to making sustainable product choices that prioritise recyclability. We are committed to investing in a circular economy, where sustainability is central to every aspect of our operations. Embracing a sustainable approach is crucial in our efforts to combat global climate change.

#### Environmental footprint

Greenhouse gasses emitted into the environment during production of a product contribute directly to our planet's global warming. Using LCA software<sup>1</sup> we are able to calculate<sup>2</sup> the (potential) environmental footprint, measured in kilograms CO<sub>2</sub>-equivalent. This enables us to evaluate a product's footprint and support the design of sustainable products. By recycling our products the impact on the environment can be reduced as the recycled material replace the need to produce virgin materials.

BT8326							
	Steel						Total
Material weight (g)	42859.3						42859
Kilograms CO <sub>2</sub> equivalent							
When not recycled	157.8						157.82
When recycled	96.3						96.27
Total recycling reduction							39%

#### Emitted carbon dioxide

To illustrate the impact of one kilogram of carbon dioxide, we've converted it into the equivalent distance a car would travel in kilometers.

#### with recycling

96.27 CO<sub>2</sub>  
**291.70 KM**

#### without recycling

157.82 CO<sub>2</sub>  
**478.20 KM**

\*8 litres of petrol per 100 km<sup>2</sup>
