

BT8390-VESA400F

SYSTEM X™ INTERFACE ARMS FOR MEDIUM / LARGE SCREENS

The **BT8390-VESA400F** interface arms are ideal for single-row, multi-screen installations. Designed to mount small to medium-sized screens in a fixed position along System X horizontal mounting rails. The universal design is compatible with a variety of different screens and allows them to be mounted in either landscape or portrait orientation. Levelling screws on each interface arm allow post-installation height adjustment, and a mounting depth of 48mm from the wall allows easy access for cables and connectors.

SPECIFICATIONS

Recommended screen size	39" - 75"
Max load	70kg
VESA® & non-VESA fixing	up to 400mm* (vertical dimension)
Depth (wall mounted install)	48mm

FEATURES

- Ideal for menu boards and other multi-screen installations
- 1** Universal design compatible with most screens
- 2** Includes levelling screws to adjust the screen height
- 3** Safety screws help prevent unauthorised removal of screens
- 4** Simple 'hook-on' installation
- Suitable for landscape or portrait mounting
- Lateral adjustment - position arms anywhere along the length of the rail
- TÜV certified
