## XXL TWIN SCREEN VC BOLT-DOWN STAND

The **BT8538** is a premium bolt-down mounting solution designed to mount two XXL screens side by side, ideal for video conferencing applications. The stand features a small footprint, suitable for areas with limited floor space, such as shop windows for close-to-wall displays. Supplied with a shelf for VC cameras which can be mounted above or below the screens, the stand features integrated cable management for a tidy installation, adjustable levelling feet to position the unit on uneven floors and the interface arms include level adjustment for easy screen alignment.
