

## MOTORISED TWIN SCREEN VC TROLLEY

Part of **B-Tech's Momentum Range** of mobile display solutions, the **BT8556** Momentum E-Lift Duo XL is a motorised, height-adjustable trolley designed for twin displays up to 65" each. Its electronic height adjustment system allows for effortless raising and lowering of the screens via a wired control panel, with an adjustment range of up to 650mm that makes the display accessible to a variety of users. Capable of mounting dual screens up to 25kg and featuring a sleek and modern design aesthetic, quick assembly and ease of use. An integrated storage unit at the rear provides convenient space for cable management and AV equipment, making the complete AV setup both neat and practical.
